Esther 5:1-8

1. Where did Esther go? (v1)
2. What did the king do when he saw her? (v2)
3. When did Esther want the king and Haman to join her? (v4)
4. What did Esther ask them to do at her banquet? (v8)

Think about...

Have you ever had to do something very scary? How did it feel? Who was watching you?

Esther's uncle Mordecai had asked her to speak to the king to save her people. Esther's people were in danger. Haman hated them and wanted them killed. Yet Esther prayed, she fasted and then went to see the king. She knew he could turn her away. She knew she could possibly die.

Perhaps you don't feel very bold or strong. Esther was able to face the king knowing that she might die. Why? Because she knew she had asked for the Lord's help. She knew that no matter what happened, God was on her side.

Are there people around your neighbourhood that don't know Jesus? Remember that you can go to the King of kings on their behalf. God is lovingly waiting to hear your prayers. You can pray and ask God to come and help those in your neighborhood. Write a list or draw the people in your neighborhood that you know need prayer. Or, if possible, go on a prayer walk around your neighborhood and pray for those in the houses as you pass.

Thank You God that You care about everyone in my neighborhood. Please come and help them and protect them today. Amen.
