

# FEAR BUSTERS

## **im:Merse**

### **Judges 6-7**

Who did God choose to defeat the Midianites? (6:12)

What did God say to Gideon about his army? (7:2)

What did Gideon's army use to win the battle? (7:19-21)

### **Think about...**

The angel of the Lord called Gideon a 'Mighty warrior' before he had done anything to deserve that title. God knew that Gideon had nothing to fear. Gideon was from a weak tribe and was the least important member of his family. God loves to speak names over us that will release us into the plans that He has for us. He always speaks words of faith and never words of fear. Ask God what names He is calling you today.

The words that are spoken over us have power. If anyone has ever spoken anything negative about you write it down on a piece of paper. Then rip it up and throw the words into the garbage as a sign that you are rejecting those words. Now draw an outline of yourself on a big piece of paper and ask Jesus to replace the words you have thrown away with words of truth e.g. I am important, I am loved, I am special etc. Write them inside your outline and display them in your home to remind yourself of the truth. This week, think carefully about the words that you use. Use your words to speak encouragement, life and truth over those around you.

## **im:Power**

Jesus, thank you that you speak good words over us that are full of truth, promise and encouragement. Please help us to use our words to speak life into the people around us as well. Help us to speak words of faith and not fear. Amen
